

FREEFLEX™ WORK PANTS BLACK

- FREEFLEX™ Mobility: Comfortable 4-way stretch material in key movement areas allows maximum range of motion even when loaded with tools.
- Durable mid weight 245 gsm material (65% recycled Polyester / 35% cotton) ideal for indoor and outdoor applications.
- Removable and reinforced holster pockets with loops for more storage versatility (secured with zip and buttons).
- Diagonally opened side pocket to store longer tools (meter stick, pliers, spanners) with additional storage for smaller tools.
- 2x closable side pockets with loops, 2x front pockets and 2x closable back pockets.
- Cordura® reinforced knee pad pockets with flaps to protect against dust and dirt.
- Tool lanyard ready for working safely at height.
- Hammer loop for quick access to hammers.
- The trouser length can be extended by 5 cm at the bottom for maximum adjustment.
- OEKO-TEX® made in green.
- Available sizes: 44 W28/L32, 46 W30/L32, 48 W32/L32, 50 W34/L32, 52 W36/L32, 54 W38/L32, 56 W40/L32, 58 W42/L32, 60 W44/L32, 62 W46/L32, 64 W48/L32.
