

Curved Folding Saw

CURVED FOLDING SAW

- Highly efficient saw blade with Japanese pull cut teeth design for faster cuts and effortless work.
- Cuts through branches of up to $\varnothing 150$ mm with ease.
- Quadruple-sharpened teeth stay sharp longer for lasting cutting performance.
- Chrome plated blade resists rust, reduces friction, and ensures smoother, longer-lasting performance.
- Ergonomic softgrip design for maximum hand comfort.
- Handle angle optimized to blade position to reduce fatigue when cutting.
- Variable locking position of the saw blade for regular straight cuts or angled cuts in confined areas.
- Different grip positions to reach further or closer branches.
- Folding design for safe, pocket-sized portability.

Blade length (mm)	250
Max. cutting diameter (mm)	150
