

STORAGE RACKS

STORAGE RACKS

An organised storage rack is always useful. Especially when it's easy to assemble and fully customisable. No bolts or screws required: Thanks to the click system, there's no need for extra tools to assemble the rack. However, a rubber hammer will get the job done even quicker.

- Measurements stacked:
90 x 180 x 40 cm
- Measurements separate:
90 x 90 x 40 cm (2x)
- Number of shelves: 5
- Total load capacity:
875 kg
- Load capacity per shelf:
175 kg
- Shelf thickness:
4 mm
