

M18 JS2000-O

M18™ JUMP STARTER

- The M18™ jump starter provides up to 2000 peak amps, allowing you to start up to 8.1 l petrol and 3.0 l diesel engines
- Ready to jump in under 70 seconds, saving you precious time in emergency situations
- The internal capacitors are rated up to 500,000 cycles, delivering a longer life and outstanding reliability
- Our jump starter is ready to start, requiring no maintenance or any pre-charging functions
- Outstanding run time up to 50 jump starts on an M18™ 5.0 Ah battery pack
- Offering an all weather performance, the jump starter performs consistently from -18°C to +50°C
- Our custom clamp design ensures proper access to battery terminals, allowing for better connection
- Fully equipped with safety features such as, spark proof, reverse polarity and overheat protection
- Bright digital display with voltage readout
- Flexible battery system: works with all MILWAUKEE® M18™ batteries

Diesel engine rated (l)	3.0
Petrol engine rated (l)	8.1
Peak current (A)	2,000
Weight with battery pack (EPTA) (kg)	3.4 (M18 B5)
Kit included	No batteries supplied, No charger supplied, No kitbox or bag supplied
Article Number	4933498026
